Make your business greener

Business Energy Scotland is funded by the Scottish Government to provide free, impartial support and access to funding to help small and medium-sized enterprises save energy, carbon and money.

One-to-one support

Whether you are just starting your energy-saving journey and need some pointers or are looking for expertise and funding to support your current plans, our team of experienced business advisors and energy-saving consultants are here to help.

Funding

Access Scottish Government funding that could help you install a wide range of energy and carbon-saving upgrades in your business.

Free resources

From initial planning through to project implementation, we have free tools and guides to help you, every step of the way.

Staff training

Our experts run regular free training workshops, webinars and tours to help you learn new skills and network with like-minded professionals.
